FARMER FOR A DAY *and* MILK MAKER

Florida Federation of Fairs Exhibit Loan Program

The Florida Federation of Fairs is providing (4) displays from Events Unlimited that will be available to Fairs this year

Two (2) *Farmer For A Day* and Two (2) *Milk Maker* exhibits are available.

The Farmer for a Day activity station is an engaging, entertaining, educating way to provide families with young children an opportunity to make memories at your fair. Playing together at the Farmer for a Day station, families learn that there is something (a farm) before the grocery store. The station includes the following activities, finding eggs nestled in the straw, plucking a shiny orange or grapefruit of a tree, and digging for that perfect potato.

The Milk-Maker activity station allows visitors to actually squeeze milk out of a life-like cow, complete with udder and teats. Milking into a bucket, allows fairgoers to gain a real understanding of where milk comes from.

Please Note: Exhibits must be manned at all times
